Animal Aid USA
Dog and Cat Georgia Rescue

Animal Aid USA

- Established in 2012, Animal Aid USA is comprised of ALL volunteers.
- Relocate animals from kill-shelters to loving homes via its large network of rescue groups and volunteers.
- Once they are healthy and ready to be adopted, we transport them to our receiving rescues or private adopters.
- On average, we rescue over 300 dogs each month.

The Chow Hound House

Our Georgia Mission:

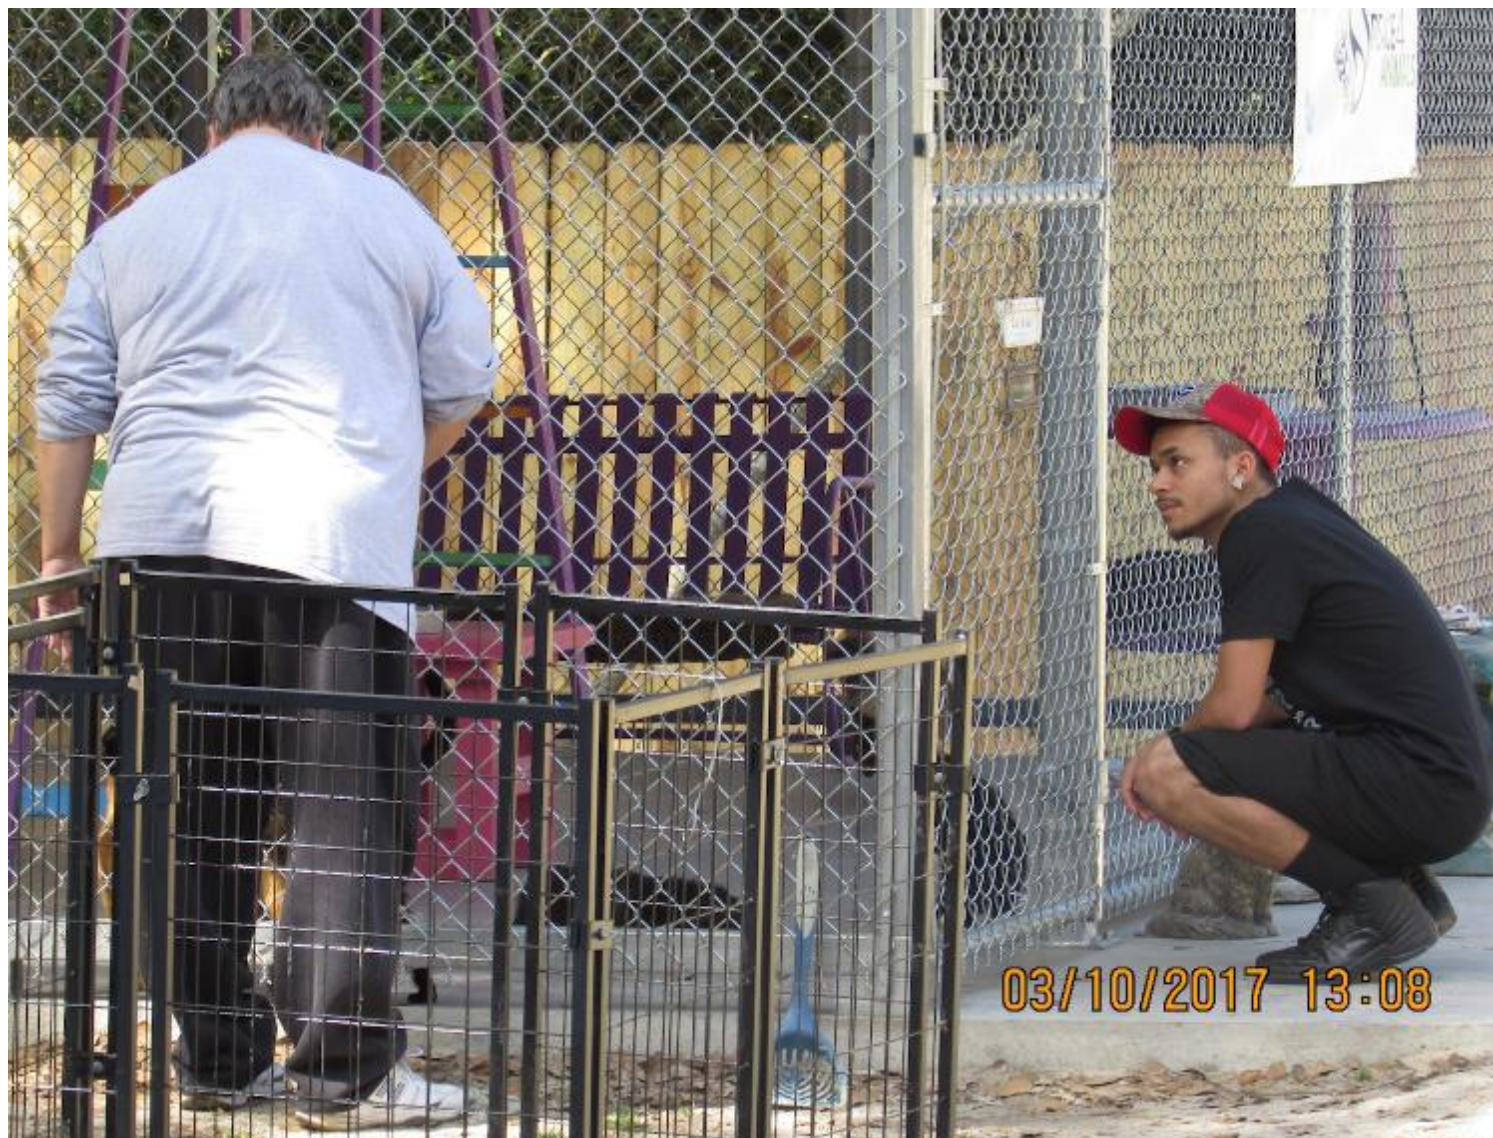

To aid in the safe
transport of 507 dogs
and cats from the
disparity of their
circumstances in
Georgia to a new life
full of love and care
in Florida and New
Jersey.
