MEDIA ADVISORY - FOR IMMEDIATE RELEASE

Rotarians join Camden Superintendent to Celebrate High Schoolers Working to Turn Their Lives Around

(Camden City School District partners with Camden City Rotary to celebrate Back on Track students)

Camden, NJ, April 7, 2022 – State District Superintendent Katrina T. McCombs will join Camden City Rotary Beulah Gordon-Skinner, and Keynote speaker Erik James Montgomery to celebrate 30 of the City’s most improved students. The Back on Track Student celebration is an opportunity to highlight students who had fallen behind in school, but through self-determination and support from caring adults, have now re-committed to achieve their high school diploma.

“I am extremely proud of our scholars,” states Superintendent McCombs. “Despite the many obstacles and temptations they’ve faced throughout their educational journey, our young people have shown their teachers, administrators, family and peers that they are truly resilient. The ability to make a mistake, own it, learn from it, and choose another path is huge and for that, I applaud all of their efforts and look forward to celebrating them.”

Today, these students will be joined by school staff and family as they celebrate their re-commitment to their education.
