We congratulate our 2022 remarkable grads and their families, and must also thank our educators and school-based staff who have guided, supported, and loved these scholars on their road to graduation.”

“Subaru of America is honored to continue supporting the remarkable grads program for Camden seniors,” said Shira Haaz, Corporate Responsibility Manager for Subaru of America. “Being able to help so many seniors follow their dreams is just another way for us to support our neighbors and Camden, and for us to show that we are more than just a car company.”
