**Camden City School District to Host In-Person Enrollment and High School Student Re-Engagement Fairs**

*Opportunity for Camden families to enroll, register and re-engage in high-quality Camden City Schools*

**Camden, NJ** – All Camden City School District students will attend a high-quality school where they are valued, welcomed, challenged, and prepared to positively impact their lives, their community and the world. This is why the Camden City School District is proud to host four (4) free enrollment and re-engagement fairs throughout the month of August. The enrollment and re-engagement fairs will kick-off the District's initiative to continually ensure all students are engaged in the District and school community even during the summer months as well as provide families with in-person enrollment and re-registration access.

The Camden City School District invites all Pre-K – 12th grade families interested in learning more about the Camden City School District. Families will get to enjoy food, music, games, prizes, and so much more. Each event will include many community vendors, including FREE vaccination clinics and health physicals for student-athletes.

Families should bring the following items to enroll/register:

- Proof of the Student's Age
- Two (2) Proofs of Camden address
