There is Help, There is Hope - Suicide Awareness Walk

The Connect at Cooper's Poynt Family School - School Based Youth Services (SBYS) hosts Suicide Prevention Walk

Camden, NJ –Suicide is the second leading cause of death in adolescents aged 10-19 years, claiming the lives of approximately 3,000 adolescents each year. In an effort to bring more awareness to suicide prevention, SBYS has partnered with Cooper's Poynt to cordially invite the public to participate in the *There is Help, There is Hope - Suicide Awareness Walk*.

Who: School Based Youth Services, Cooper's Poynt Family School staff and students, Community members

When: Friday, September 30, 2022

Where: Cooper's Poynt Family School | 201 State St, Camden, NJ 08102

Time: Walk begins at 2:00 p.m. (0.8 mi) to Waterfront Park- 801 Delaware Ave

Camden School Based Youth Services Overview

The School-Based Youth Services Program (SBYSP) provides comprehensive support and prevention services for students and families, with a strong focus on emotional wellness and academic success. The program serves as a link between the schools, students and families while partnering with community-based health and social service agencies. All services provided by the School-Based Youth Services Program are free for all students.
