Camden City School District to host citywide Earth Day Celebration

CCSD celebrates Earth Day with citywide local foods & sustainability festival

Camden, NJ – On Saturday, April 22nd at Morgan Village Middle School, the Camden City School District’s School Nutrition Team in partnership with Whitsons Culinary will be hosting a citywide Earth Day celebration. The Local and Sustainably Festival is free and open to the public and will include environmental education exhibits from various local organizations.

Families will have the opportunity to celebrate sustainability efforts with a fun-filled day of eating, performance, and learning.

Planned activities include: garden building and planting, waste watching education stations, free farmers market, composting activities, and more.

Who: Camden City School District Nutrition Team, Whitsons Culinary, and various local organizations.

What: Camden City School District Local Food & Sustainability Festival

When: Saturday, April 22, 2023, from 11:00 a.m. - 2:00 p.m.

Where: Morgan Village Middle School | 990 Morgan Blvd. Camden
