STUDENT BOARD REPRESENTATIVE COMMENTS

Rep	GLOW	GROWS &/OR QUESTIONS
CHS	Thank the supt for allowing our voices to matter. During the luncheon I forgot to mention I was proud of the cheerleaders from both teams for their composure. I want to thank my coaches for giving me the opportunity to express my feelings about the situation and find closure.	
Brimm	We received an english 2 teacher...which is good. His name is Mr. Ertz he is a wonderful teacher. He is similar to our teacher from last year.	<p>Incident that happened at the Camden County Basketball game. Thank you to Board President and Superintendent for handling the situation well.</p> <p>Our senior class had just started to get closer. One of our students is not being allowed to come back to our school because of this situation. It is hard to move forward. If you could work on that better, because he is being turned away at the door.</p> <p>Overall school cleanliness.</p> <p>Students are not happy with the block scheduling, they would prefer to have all 8 periods each day.</p> <p>We can't fundraise. Selling snacks was shut down, so we do not have the same opportunities to raise funds.</p>
Eastside		
Creative		
BPLA	We finally got a calculus teacher. During my time at the roundtable I mentioned this as a concern to be able to learn, and we finally have one and I am really thankful for that. He is a great guy...he is forthcoming and friendly and eager to teach us.	Things we could improve on is the quality of the school building. It has degraded...recently peers and teachers have reported leaks and bathroom issues. One of our bathrooms is closed until further notice.

PUBLIC COMMENT

Nathaniel Gilbert	Titus Bacon	Good evening, I want to address the board and the DOE on a topic of Titus bacon and why he is unable to attend his school where all his peers and classmates are. He wants to graduate from Brimm and he wants to graduate from Brimm.
Titus Bacon	Titus BAcon	Good evening, Thank you for coming. My name is Titus Bacon I have been enrolled and educated in CCSD since Pre-K. It is my goal to graduate from Brimm. Since the incident on Feb 16...I have been in contact with multiple people and Supt Mccombs and nobody has asked how I am doing. Mr. nam you know me personally...I am asking you personally to please help me in this matter. Why am I being ostracized in my community. Being treated this way by my community has hurt me much deeper than the two punches I

		received in the game .My family wants due process as why I was expelled. MLK quote...injustice anywhere is a threat to justice everywhere.
Daveda Hill	Titus Bacon	Passed -
Vanessa Hill	Titus Bacon	Good evening everyone. I am the grandmother of Titus Bacon and a former CCSD employee serving as social worker and psychologist. The video I saw where my grandson was assaulted not once but twice was extremely disturbing. I have empathy and you should not decide who you give empathy too. The officials should have addressed the first hit as a flagrant 1 foul if they did not feel as assault. The 2nd elbow should have been a flagrant 2 foul. There was a blood trail left on that court. His mouth could not contain it. His injury from the assault needed medical attention and follow-up. People need to go to the victim and stop showing favoritism, I speak for the young men of EHS who are not able to carry out.
Robin Long	City of Camden	Good evening, Admin board member and city of camden...much have taken place in the past week until today. Some true some false...some fair some unfair. Camden is a city of minorities that seem to be divided into two. You have your Eastside and your westside...and on the westside there are new buildings renovated homes and new schools...on the eastside there are dilapidated buildings old schools and run down homes. We raise children to be young women and young men with character and dignity. Camden is one city. Camden admin and elected officials..you are elected by the people for the people and of the people. As officials my question to you is going forward..what plan or plans do you have in place so that history does not repeat itself? It is disgrace. And I am so upset behind the fact of that melee that took place. Some of you officials were there..one of you got on the mic after the people who caused the confusion had left. It wasn't one elbow, it was three. My grandson experienced the first one. Do your own research. Poor Titus.. It was a fist. Nothing was done. And I am just asking each one of you who have children...rectify this situation.
Sue Bowen	New Program	Good evening, I am sue bowen teacher at Yorkship. I am very excited about our new school. School culture and climate issues are paramount to address. I am pleased to learn that the healing center engagement and trauma informed care centers are working. The initiative is in its third cohort. The program partners include NJEA. This initiative is a three part series. It is of no charge to the school district. The next step is to train all school employees. The advisory board is equally as important to participate. The same training will be done at schools..I would like the advisory board to participate. Which training will you attend?
Karen Borelli	CEA	Good evening, Speaking as building rep for brimm. ON behalf of the staff we support student Titus Bacon on his request to remain at brimm. We do not shun or block out. It is not fair to strip titus of the opportuntiy to graduate from Brimm. It is not fair to strip staff of the opportunity to see him graduate from Brimm. We want the advisory board and district admin to know we want Titus to remain with us at Brimm.
Terrence Long	General	skip
Gary Frazier	Various	Good evening, Its been a long time. I am never going to be a fan of child being out of school. Please look into this student being allowed back into school. A child out of school is an issue for me. I am here for other reasons. Supt, members of board..I am doing a lot of work with systemic racism. One supt, taking the necessary actions away we have students who go outside of our city and carry camden on their back. Those of us who do this work, we do it because we love camden. That was a tough decision for the supt to make, because I did see what happened. It was the tough call to make, but it was the best call to make. Both teams know the rule of the game. When we go outside of camden we represent camden. Accountability it all around the board. Great work there in the taking the necessary actions, I stand firm on that. Some of our students who have transitioned to Collingswood are facing issues of systemic racism. Since I have worked in this issue, I am asking for support to collingswood like the solution center that will aid and help them as they look to improve. Diversity training is needed there...cultural training is needed there.

Ricardo Dale	Titus Bacon	<p>Good evening, Thank you for allowing me to speak. I just want to ask you, personally you cant answer this questions, where do you expect Titus to go? When you kick a young man out on the streets, where do you think he is going to end up? Instead of being able to reflect on his mistakes, we send him out. Titus bacon has a full scholarship to school that he is in jeopardy of losing. This board right here is about to take that way from him over and altercation where he made a mistake and reacted to a situation. Titus bacon was assaulted twice, by law. If this were not a basketball game. He reacted to that and now he cannot go back to school? What bylaws do you have in place that says an altercation like that can be expelled by school? I personally know students who have fought in your school district this year that have not been expelled. And you have titus bacon expelled. If we are going to have this level of discipline, where is the consistency? I do not want other students expelled, but where are the consequences for the other students? Think about the message you are sending. Our lawyers are looking into this. So why are we putting ourselves in this situation?</p>

Amendment Geodes Decodable Readers (Grades K-2) PD November 22,2023 Meeting

It is recommended that permission be granted for the Division of Teaching and Learning to purchase *Geodes* developed by Great Minds along with professional development for teachers in grades K-2. *Geodes* are designed to be paired with foundational reading programs that provide systematic and explicit phonics and phonemic awareness instruction. *Geodes* were created by Wilson Language Training, which is aligned with the *Foundation's* phonics program students are using in grades K-3. Each text helps teachers put research-based best practices into action. *Geodes* reinforce students' phonetic knowledge and help them build strong content knowledge and acquire robust vocabulary skills. Students are given

the opportunity to transfer their learning while engaging with authentic texts to develop a mastery of reading.

Total cost not to exceed Professional Development not to exceed ~~\$3,900~~, adjusted to \$6,250.00, due to additional session required.

Application for the NJ Tiered Systems of Support- Early Reading Grant

Recommend approval for the Teaching and Learning Curriculum Team to apply for the NJ Tiered Systems of Support- Early Reading Grant. If awarded the District will receive:

- Ongoing consultation from a state-level consultant, which is designed to support school districts in improving knowledge and practices pertaining to NJTSS for early reading; building a multi-tiered, data-driven decision-making system to promote K-3 students' early reading proficiency; and increasing NJTSS-ER implementation fidelity.
- In addition to receiving access to online courses, webinars, and resources (e.g., action plans, meeting protocols, materials, and tools), districts selected for consultative support benefit from:
 - Ongoing intensive guidance, feedback, and support provided for 3 years via videoconferencing check-ins with experienced state-level NJTSS-ER consultants;
 - Use of an online platform to help guide the use of screening and diagnostic data, student grouping, progress monitoring, and the assignment of tier 2 & 3 interventions from a customizable online intervention library; and
 - An opportunity to apply for up to \$2,000 to support external trainings on evidence-based practices relevant to the implementation of MTSS or early reading.

There is no cost to the board.

Rutgers DNP - Free Physicals

It is recommended that the Camden Board of Education approve an agreement with Rutgers University-Camden that the Camden City School District will serve as a clinical site for a supervised clinical experience for Rutgers University-Camden DNP students for the remainder of the 2022-23 School Year.

Catto Family School-Title I Parental Engagement-APTT Parent Workshops

It is recommended that permission be granted to Octavius V. Catto Family School for the following Title I Parental Engagement APTT-Literacy & Math Parent Workshops below.

We will take this opportunity to provide parents with plenty of necessary academic tools to prepare their children for the upcoming state tests. Parents will be able to meet other families and be a part of a supportive Parent-Teacher Learning Community. They will receive their children's academic progress, and they will be able to work directly with their children's teachers to create and implement an academic success plan. Parents will receive information that educational research clearly shows that when families support student learning at home and parents are engaged as well as involved in their children's learning, there is a definite increase in grades, attendance, behavior, and social skills, students have better test results, and college attendance.

All parents will receive Math & Literacy Learning Kits. (Breakfast will be provided for all these events because they will take place during breakfast time).

Event Dates are as follows:

Literacy-Parent Workshop Event for Middle School Grades: Date: 4/21/23 Time: 9:00 am to 10:30 am

Title I Parental Engagement/Involvement-APTT-Middle School Grades-Literacy Comprehension Parent Workshop

Event: Title I Parental Engagement/Involvement-APTT-Middle School Grades-Literacy Comprehension Parent Workshop. At this workshop, we will take the opportunity to share with all our middle-grade Parents important information on how to monitor schoolwork, and homework, how to best prepare the students for exams as well to prepare the students for their academic future goals. All parents will receive guides that have plenty of information from experts, facts, tips about college options, financial planning, and an overview of the college and career readiness(CCR) standards that are part of the common core state standards. We will also provide parents with Literacy Learning Kits from Really Good Stuff, free books received from Rutgers University the Big Read Program, and Social & Emotional activity sets from Lightswitch Learning Company. The guides parents will receive are designed to help parents guide their middle school students through the process of becoming college and career ready. The Literacy Learning Tool Kits are designed to make reading fun at home by showing parents the many reading activities that could be done with the whole family. Educational research clearly documents that when families support student learning at home, there is a definite increase in grades, attendance, attitude, behavior, and social skills, and students have better state test results as well as college attendance.

(Refreshments will be served because this event will be taking place during lunchtime)
