District Updates: Staffing and Personnel

Recruitment Strategy

CCSD in partnership with Rowan University and the NJDOE announced the Teach Camden initiative.

Program Objectives

- Increase representation of licensed teachers from racially and ethnically diverse backgrounds in teacher education within the Camden City School District
- Implement a pilot program utilizing alternative pathways to certification for current Paraprofessionals in CCSD who hold bachelor degrees
- Qualified Paraprofessionals will complete an intense 18 month program and achieve either a CE or Limited CE

Teach Camden Next Steps

- <u>27</u> Paraprofessionals have submitted their application and other required documents for consideration in the program.
 - <u>15</u> have been deemed eligible to participate in this initiative and <u>4</u> remain in the review process.
- The selection process ensures each applicant meets the requirements for admission and pre-assessment of CE and/or Limited CE eligibility.
- Once the review process is completed, all paraprofessionals will receive notification of their status.
- Those who are scholarship recipients will be notified and will receive a welcome packet outlining next steps which will include an orientation.
- The District is making plans to officially announce this initiative.
