Eastside High School's Final Graduation in Historic Building

Camden, NJ – The Camden City School District is proud to announce the final graduation ceremony of Eastside High School's Class of 2024. This milestone marks the end of an era as the last graduating class in the current historic building. The event will be held on Tuesday, June 25, 2024, at 5:00 PM at Mike Rozier Stadium.

As we celebrate the achievements of our students, we also look forward to the future with the upcoming construction of the new Eastside High School. This new facility will provide state-of-the-art resources and opportunities for future generations, continuing our commitment to excellence in education.

The graduation ceremony will feature speeches from distinguished guests, including school officials and student representatives, highlighting the accomplishments of the Class of 2024 and the legacy of the current Eastside High School building.
