## **Camden Celebrates Remarkable High School Graduates from Class of 2024**

*Resilient Graduates Will Receive a New Laptop and \$1,500 in Scholarship Money*

**Camden, NJ** – Camden City School District State Superintendent Katrina T. McCombs will join elected officials and Subaru of America, Inc. on Thursday, June 20, 2024 to celebrate 25 remarkable scholars who are graduating from Camden City Schools this month. These scholars demonstrated an unwavering commitment to their education.

“We are extremely proud to recognize these outstanding scholars, who, in the face of adversity, have exhibited an unwavering commitment to their education and beyond,” said Superintendent McCombs. “Thank you to our partners at Subaru of America for their continued support. We congratulate our 2024 remarkable grads and their families, and thank our educators and school-based staff who have guided, supported, and loved these scholars on their road to graduation.”

“Subaru of America is honored to continue supporting the remarkable grads program for Camden seniors,” said Erica McLeod, Corporate Social Responsibility Manager for Subaru of America. “Being able to help so many seniors follow their dreams is just another way for us to support our neighbors and Camden, and for us to show that we are more than just a car company.”

One in 10 low-income, first-generation college students across the country earn a four-year degree. This year’s “Remarkable Graduates” will receive extra support to help them continue on their path to success. Subaru of America will award each of the students with a new laptop computer and a \$1,500 scholarship.
