****11th Annual Camden Harvest Fest Set for December 8, 2024, in Camden, NJ****

Camden, NJ – The 11th Annual Camden Harvest Fest (CHF) will take place on December 8, 2024, from 12 PM to 7 PM, bringing together the community for a day filled with joy, nourishment, and celebration. This year's event will feature three engaging activities: a grocery bag giveaway at Farnham Park, a community family-style dinner at the Camden High campus Auxiliary Gym, and a series of cooking demonstrations at the Camden High School Campus.

CHF is designed to provide Camden residents with an enriching experience that embodies the spirit of giving and community. The festival aims to educate attendees about healthy food choices available locally, promoting wellness within our community. Recognizing the challenges many families face, especially during the holiday season, the Camden Harvest Fest serves as a heartfelt expression of gratitude to residents, facilitating a communal meal that fosters connection and support.

Attendees can look forward to live performances by talented Camden artists, enhancing the festive atmosphere throughout the day. Each resident will receive a "Bag of Goodies," which includes a take-home dinner, essential resources, and valuable information aimed at promoting sustained wellness within the community. This event goes beyond merely providing a meal; it seeks to empower residents and foster a nourished and sustainable community.

Volunteer opportunities are available for those who wish to contribute to the success of the event. Interested individuals can register to volunteer by visiting our website at www.camdenharvestfest.org.

Join us in celebrating the spirit of community and generosity at the 11th Annual Camden Harvest Fest. Together, we can make a difference and create lasting memories.
