Camden City School District Pharmacy Tech Students Earn Certifications

Camden, NJ, December 17, 2024 – Camden City School District is proud to announce that four of our pharmacy tech students have successfully completed their program and will be recognized with certificates of completion during a ceremony on Tuesday, December 17, 2024, from 9:30 to 10:00 AM.

These certificates qualify the students to become registered pharmacy technicians in the state of New Jersey upon graduation. This remarkable achievement is a testament to their hard work and dedication to their futures in the healthcare field.

The program, made possible through a partnership with Camden County College, is offered free of charge to CCSD students interested in pursuing careers as pharmacy technicians. By covering the cost of the program, the district ensures that students have access to high-quality, career-focused education that opens doors to valuable opportunities.

The students being honored for their achievement are:

- Jasonii Hardy
- Khalil Dale
- Jeriliann Felix
- Jayden Flores

WHO: Superintendent Katrina T. McCombs will join Advisory Board Members, Senior Director of CTE Tom Levy, and Lead Science Teacher Dr. Darryl Williams in presenting the certificates to these deserving students.

WHERE: Camden High Campus | 1700 Park Blvd., Camden (Brimm Medical Arts Rm. 241A)

WHEN: Tuesday, December 17, 2024 at 9:30 a.m. - 10:00 a.m.
