Rosa Martinez
Lead Educator

To All Community Stakeholders:

Our school motto is: “Here at Vets, we ride with pride by practicing Respect, Responsibility and Integrity.”

We would like to invite you to participate in our Ride With Pride Campaign.

The Ride With Pride Campaign is a student incentive and recognition program to promote a sense of community and integrity with every student at Veterans Memorial Family School. The program promotes attendance, positive behavior, and academic achievement.

How can you help us Ride With Pride? From now until June 10, 2023, Veterans will be collecting donations of any item on wheels! These items include bicycles, skateboards, roller skates, trike bikes, scooters, and also any riding toys with wheels.

Our goal is to provide every student with some form of wheels (and a helmet) to Ride with Pride!

Your donation can be monetary or any of the items listed above. Walmart or Visa Gift Cards for bikes and helmets are also appreciated.

Please feel free to contact our Ride With Pride Campaign Coordinator, Crystal Mays at ccmays@camden.k12.nj.us.

We hope you will ride with us!

Danette Sapowsky
Principal
