

PARCC

What it stands for:
Partnership for Assessment of Readiness for
College and Careers

What it is:
An annual check-up of how much students
are learning and where they need support

PARCC is...

The required New Jersey test in math
and English for students in grades 3-11

A computer-based test to prepare
students for success in the future

Students take PARCC...

Once a year

For less than two weeks a year

For less than two hours a day

For 90 fewer minutes than last year

PARCC...

Gives students a way to show what they know
Provides teachers with info to support students

Does not count for grades or promotion

Helps prepare students for future success
