Dear CCSD High School Parent/Guardian,

The Camden City School District is pleased to announce that our 2024-2025 Parent Portal is now open. The Parent Portal is an easy to use, web-based system intended to provide parents and teachers with a tool to communicate student academic performance and attendance. The Parent Portal may be accessed from any place the parent/guardian can access the internet.

At this time, all high school student schedules are completed. For your convenience, you can log into genesis parent portal to access your student’s schedule. Please review the parent portal guide link below to access and navigate the Parent Portal.

To access your parent portal or to access these documents electronically, please go to the District’s website at <https://camdencityschools.org/> > Families > Parent Portal. Here, you can log into your account and use the Summary tab to view your student’s schedule.

If you do not have an account, or have any questions, please reach out to your schools Family Operations Coordinator (FOC). For questions regarding your child’s schedule, contact your school’s counselor.
